

## BROADMOOR-BROADWAY VILLAGE

### March 10<sup>th</sup> Meeting

**Annual Elections March 10<sup>th</sup>.** Another year has passed and it's time again to thank the outgoing board members for their dedication and to elect a new board. Board members are interested in improving the neighborhood and responding to issues of collective concern. The board represents our interests on numerous issues such as the improvements to the Treat Walkway, Broadway Village revitalization and representation at the Military-Community Relations Committee. Please see reverse side for more on the board positions and additional ways to support the neighborhood.

John Thomas is our lead on both the **Treat Walkway Improvement** and **Bike Path Projects**. At our next meeting, he will provide an update and solicit your feedback.

**Wildlife.** The board has fielded numerous concerns about a growing outdoor cat population and urban javelinas. Fish and Game asserts that keeping cats indoors is good for cats and the birds we enjoy along the Arroyo Chico. They have also instructed neighbors to prevent javelinas from accessing trash cans, bird food, pet food and other food sources. Very informative pamphlets such as *Keeping Cats Indoors* and *Living with Urban Javelina* will be distributed at our meeting.

**Treasurer's Report.** Rita Toland will provide an update on the neighborhood's finances and encourages everyone to support your neighborhood by **paying dues**.

Karen Martin, BBVNA President  
514-9352

### Arroyo Chico Environs

Thanks to all the neighbors who came prepared with trash bags and tools and cleaned up the Arroyo Chico wash and to those who brought the much appreciated food and drinks. We are blessed to have so many community-minded neighbors and a number of academics and professionals in landscaping and natural resources. There was a lot of interesting discussion about the overall condition and health of arroyo, mosquito habitat, and invasive species such as buffelgrass.

#### SAVE THE DATE:

**Bike Path at Citation Wash**

Feb 22<sup>nd</sup> 5:30pm  
900 S. Randolph Way,  
Mesquite Room

## BROADMOOR-BROADWAY VILLAGE

# Association Officers

Come to the elections meeting and see if serving works for you!

- President. Presides over meetings, appoints committees, and acts as official spokesperson of the association.
- First VP/President Elect. In absence of the president, assumes duties. In line to assume presidency.
- Second VP. In absence of the first vice-president, assumes duties & presides over Nominating Committee.
- Recording Secretary. Records meeting notes.
- Treasurer. Keeper of financial receipts and records of membership dues. Provides financial report.

# Additional Needs

### Communications:

- Website design. A fresh look at the neighbors' need for web-based information and our capacity to create it.
- Website and List Serve Maintenance. Posting pictures, information and keeping up on our list serv.
- Flyer/Newsletter Carrier. The flyer that arrives at your doorstep is delivered by someone who lives on your street.
- Signage for meetings. What has worked best is one neighbor who puts up the signs, removes and stores them.

### Priority Initiatives:

- Neighborhood Watch Captain. Captains coordinate an initial meeting. Guidelines printed at TPD website.
- Historic Designation. Ann Pattison will lead this effort. Interested participants are asked to contact her.
- Howenstine Liaison. Develop a mutually beneficial relationship between students and residents. Immediate need for welder coaches. Contact Phil Johnston at [phmore@cox.net](mailto:phmore@cox.net) for more.

### Events

- 4<sup>th</sup> of July. Kristi Lloyd will lead this effort. As a mother of two, she promises to bring creativity to this long standing tradition. Those interested in creating an awesome event please call her at 325-4781.
- Garden Tour and OktoberFest Leads. These popular events can only occur if someone takes the lead. Interested leaders please contact Rita at 323.8737.
